

Greetings from Aarhus AU Summer University team.

Do you have students interested in spending their summer in Denmark? **AU Summer University offers a wide variety of Bachelor's and Master's level courses, taught in English.**

During July and August 2019, we offer 96 credit courses in culture and society, communication and media, business and social science, management and economics, psychology, law, health, natural science and technology.

Courses are based on current research and has a strong international perspective. The close link between research and education ensures the quality and depth of the courses. Courses are taught by highly qualified Danish and international lecturers and class sizes range from 20-50 students

In 2019 the course terms are:

Term I: 2-9 July 2019

Term II: 22 July – 9 August 2019

Each year, more than 2000 Danish and international students attend [AU Summer University](#). The application deadline is 1 April. Find the courses and application process [here](#).

Students usually want to make new friends, go for a bike ride, explore the sights of Aarhus or join us for a BBQ. Therefore we suggest that students attend the [social programme](#), offered alongside the academic programme.

Do not hesitate to contact us if you or your students have any questions.
